SEE TOMORROW GROW

Dear Parents and Carers,

I begin with sharing a huge celebratory note - we have the best group of primary children! Our children made us proud midweek, as we all went to watch Aladdin! Their behaviour and mannerisms were impeccable! bringing forth many compliments from staff and other school leaders!

They portrayed the school in a very positive light; thank you for endorsing the same at home. The show was an absolute success, and I am indeed delighted to have secured the additional seats for parents. Please also join me in thanking the excellent mummies who joined us, in making the show a memorable experience.

As the trip was a huge success, we will be repeating the same next year, but I will now purchase many more seats, allowing as many parents to join us. Once again, let's all be collectively proud of our children - we are so very lucky in terms of their behaviour and representation of the school, publicly,

On this collective celebratory note, I would very much like to see many more parent helpers with our Christmas fair, on Thursday 14th December. Please speak to the school office, if you are able to help.

Have a fabulous weekend, Mr Jalaf

GENERAL NOTICES

MONDAY 4th DECEMBER:

Christmas letter box will be open in the office.

FRIDAY 8TH DECEMBER:

Colour Mufti Day - dress up in the colour assigned to your year group and bring in one item for donation - either food/home/drink (non-perishable). Please see the leaflet that has been sent home today for ideas.

MONDAY 4TH - FRIDAY 8TH DECEMBER:

We are asking for book donations for all ages. Please bring them in and leave them with the office. We ask that the books be in good condition with no rips or tears if possible.

COFFEE MORNING WITH CHEF LINDA

Our chef Linda is available on Friday 8th December from 10-11 am should you wish to come and discuss the meals being provided for the children.

She also wants to thank you for your understanding when we had no one in the kitchen to provide hot meals earlier this term as she was absent due to unforeseen circumstances.

A full menu will be available after Christmas. We will be offering a main option, a vegetarian option and a jacket potato.

Please drop in if you would like to have a discussion with her in person.

RECEPTION

Pixie class have enjoyed learning about shapes with 4 sides. We found out that there was a shape catcher who was trying to take all of the shapes!

We compared the differences between a square and a rectangle discussing longer, shorter and equal sides and also explored shapes within shapes.

The children had to go around the school on a hunt to identify and rescue all of the shapes with four sides.

Mrs Bailey

YEAR 2

Dear parents,

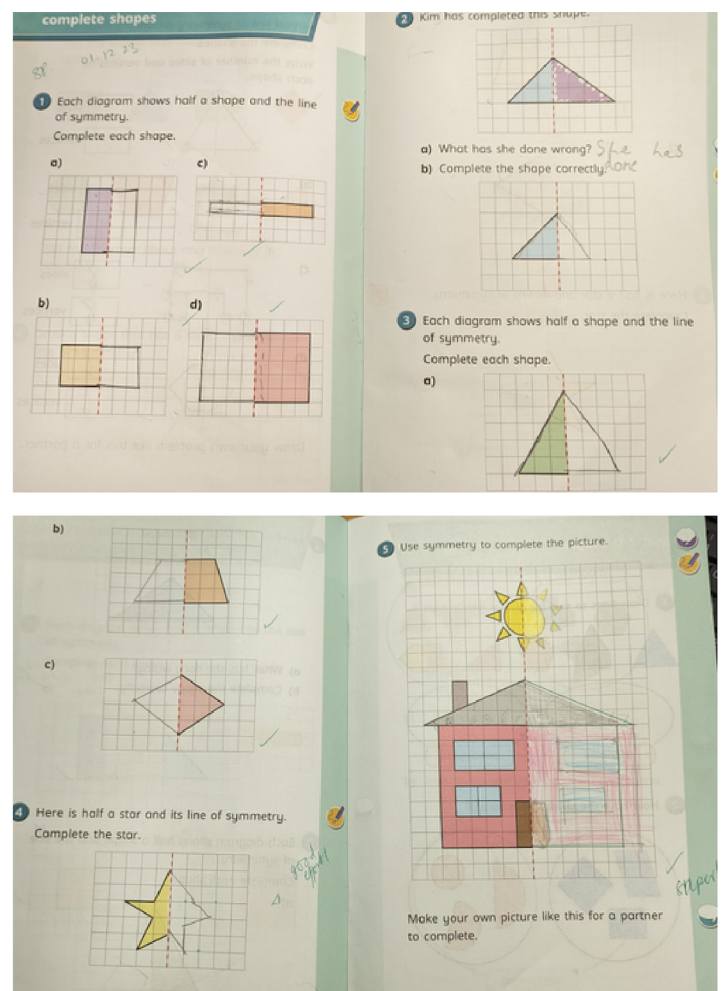

We were lucky enough to have the HSBC maths workshop last week. where we learned all about coins.

This week we have been focusing on shapes and lines of symmetry.

We have been practicing drawing 2D shapes using a ruler and a pencil.

It has been quite tricky but have been persevering and creating wonderful symmetrical shapes.

Have a lovely weekend,
Miss Punja

YEAR 4

Crispin class have enjoyed taking part in the HSBC workshop.

They learnt all about a current and a savings account is.

This money workshop proved to be fun and enjoyable for all the children and they have started to use their knowledge of money in their day-to-day tasks.

Miss Sufi

YEAR 6

Year 6 had a workshop from HSBC all about fraud.

Students learnt about how to keep safe online and how basic information about yourself can lead to fraud.

We heard lots of real-life stories of people who have been victims to fraud. Students looked at different scenarios and profiles of people and discussed if the information shared was safe.

Students were able to reflect at the end and shared how they can make changes when they are online.
