SEE TOMORROW GROW

Dear Parents and Carers,

We have had a delightful week in school this week, as we near the end of an incredibly successful term!

All the teachers have been working hard at recording and analysing assessment outcomes, so that we can begin preparing for the spring term.

Additionally, Miss Kang will be adding to our school website, knowledge, progression and skills tables for all subject areas. Do have a look at these to gauge a better understanding of how our curriculum is structured.

In the class pages, you will also find the long term overviews of all that your child will be learning this academic year. This gives you a better understanding of our curriculum design.

Please join me in thanking our cook, Linda, for the spectacular Christmas lunch she prepared for the whole school on Wednesday. The colourful jumpers indeed made it a jolly good festive occasion!

I very much look forward to seeing you all next Thursday after school, at the Christmas Fair, which is being very kindly organised by our wonderful PTFA! Please come and support our school.

Have a delightful weekend,
Mr Jalaf

Dates for the Diary

CLUB.

IT IS HELD EVERY THURSDAY FROM 3:30
PM.

WE WILL BE LOOKING AT A RANGE OF
EXCITING BOOKS AND SHARING IDEAS
BASED ON DIFFERENT THEMES EACH
WEEK.

NURSERY

Dear Parents, we have been learning all about Christmas in nursery.

We decorated our Christmas tree and have even made our own nativity scene!

We have been practicing singing our Christmas songs and are looking forwards to seeing our families at our Christmas performance on Monday.

Warmest Christmas wishes,
Mrs Fowler.

YEAR 1

What an exciting week we have had this week!

On Wednesday afternoon a lovely lady from Chertsey Museum came in to talk to us about toys and the history of toys. We loved playing with all the different toys and even made a toy of our own.

We saw a robot that was over 50 years old and a doll that was over 100 years old!

Have a lovely weekend,
Miss Purdy
