If you would like to find out more about how to support your child in their English Language Learning you may find these sites useful:

<http://learnenglishkids.britishcouncil.org/> Interactive stories, games, puzzles, blogs, forums. There are also sections for teenagers and adult learners.

<https://uk.mantralingua.com/> - Dual language books

<https://www.oxfordowl.co.uk/> - great resource for free ebooks and phonics advice.

<https://www.english-guide.org/> - Great resource for learning new English vocabulary through various topics.

<https://worldstories.org.uk/> - World Stories is a growing collection of stories from around the world which are freely available online. The collection includes retold traditional tales and new short stories in the languages most spoken by children in our school.

The books in these languages are translated into English. It is a very useful collection for our students who are learning their first language as well as English and may also be useful for parents who are learning English. There are also areas for parents with more information and exercises.
