Year 6

Week Beginning 30th March 2020

Reading

Read or listen to a story and write a recommendation for it. Who would you recommend it to and why?

Continue to complete the exercises in your reading workbook and your pack. Answers will be posted in Teams.

Spelling

- ✓ Complete the spelling activities on Education City
- ✓ Ask someone to test you on the year 5 and 6 spelling list. Choose 10 words that you find difficult and learn to spell them. You can find the list by clicking on the jigsaw piece.

Year 5 and 6 words

Year 3 and 4 words

Writing

Children should only be allowed to watch television for an hour each day. Do you agree or disagree with this statement? Write a discussion explaining both sides of the argument.

Write a **short** story (200 word max). Use description, action and dialogue to move the story along. See ideas on the story idea page.

Create a cartoon. See the additional document.

Maths

Topic

Research task.

When the Titanic set sail on her maiden voyage, people were divided into classes: first, second and third class. Research the different classes.

Research what it was like on Titanic.

If you looked through the keyhole of a first- class cabin, what might you see?

If you looked through the keyhole of a third- class cabin, how would it be different?

What facilities were available to passengers? Could everyone use the same facilities? Did they all eat in the same dining room? Think about how you can present your findings.

Around the World

Choose a country that you would like to find out more about. Produce tourist leaflet about it.

Where is it? Which time zone is it in? What language do they speak? What is the main religion?

Are there any significant natural features? Discuss the physical and human geography of the country.

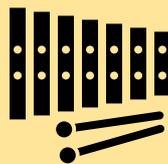

Are there any famous people who live or lived there?

What is interesting about it?

Music

What was Beatlemania? How did the Beatles become so popular? Listen to some of their music and write an information page about them.
