

## Home Learning

Year 6

Week Beginning 6<sup>th</sup> April 2020

This week should have been the first week of the Easter holidays. Spend time doing the things that you enjoy doing. If you would like some additional ideas, see the links below.

### Reading

Explore the Epic reading page. You can use our class code to access it. There are lots of interesting books to read or listen to. There are many books about the Titanic including books about particular passengers. If you type in words related to things that interest you in the search bar at the top of the page, I am sure you will find lots more interesting books.

The answers to the reading activities in your packs have been posted in Teams. If you need your password to be re-sent, please ask your parents to email me.

### Spelling

- ✓ Complete the spelling activities on Education City
- ✓ Use Sumdog spelling
- ✓ Continue to learn the year 5 and 6 spelling list. Choose 10 words that you find difficult and learn to spell them. You can find the list by clicking on the jigsaw piece.

You could write to:

- ✓ A friend, to ask them how they are doing
- ✓ The NHS, to say thank you for all their hard work
- ✓ Any keyworkers, as above
- ✓ The Prime Minister, to ask any questions you may have about what is going on
- ✓ A member of your family, just to make them smile 😊

You never know, if you were to send one, you might just get a reply!
