Reading

There is lots to explore on the Epic reading page. You can use our class code to access it. There are lots of interesting books to read or listen to.

The answers to all of the activities in your packs have been posted in Teams. If you need your password to be re-sent, please ask your parents to email me.

Spelling

- ✓ Complete the spelling activities on Education City
- ✓ Use Sumdog spelling
- ✓ Continue to learn the year 5 and 6 spelling list. Choose 10 words that you find difficult and learn to spell them. You can find the list by clicking on the jigsaw piece.

Year 5 and 6 words

Year 3 and 4 words

Titanic

Research and write a timeline for the events that happened on the night the Titanic sank.

Additional Maths

Choose from one of the following websites – at least one activity each day (click on the icon):

White Rose Maths

I see maths

Maths with mum

or parents can sign up to The Maths Factor (usually costs money but at the moment it is free)

Additional games:

Hit the button

Daily 10

Don't forget that there are weekly competitions on **Sumdog** and you can also access **Times Table Rock Stars**.

I will be putting the weekly maths questions onto Teams.

Science

Work has been set on Education City all about Electricity. If you need your password, please ask a parent to email me.

Mystery Person:

Who was Stephen Hawkin? What was he famous for? Can you write a biography about him and his work?

Another new website launches this week, which has been created by teachers around the country. Lessons for year 6 include:

Fiction stories, fractions, Fossils and animals overtime, Physical and chemical changes, World War 1, Spanish and art. Please feel to have a look.

I will be available on Teams all week if you have any questions or if you want to share what you have been doing.

Take care of yourselves.

Mrs Davis
