Reading

There is lots to explore on the Epic reading page. You can use our class code to access it. There are lots of interesting books to read or listen to.

The answers to all of the activities in your packs have been posted in Teams. If you need your password to be re-sent, please ask your parents to email me.

Spelling

- ✓ Complete the spelling activities on Education City
- ✓ Use Sumdog spelling
- ✓ Continue to learn the year 5 and 6 spelling list. Choose 10 words that you find difficult and learn to spell them. You can find the list by clicking on the jigsaw piece.

Year 5 and 6 words

Year 3 and 4 words

Titanic

Write newspaper report about the sinking of Titanic. Think about the information that you will need to give. Who, what, when, where, why and how?

Additional Maths

White Rose Maths

Additional games:

Hit the button

Daily 10

Don't forget that there are weekly competitions on **Sumdog** and you can also access **Times Table Rock Stars**.

I will be putting the weekly maths questions onto Teams.

Science

Work has been set on Education City all about Electricity. If you need your password, please ask a parent to email me.

Mystery Person:

Who was Molly Brown? Why was she famous? Can you write her recount of the sinking of Titanic?

Learn something new:

Work on a project about 'Plastics in our Oceans'. Research the issues with plastics, how they are impacting on our oceans and what can be done to help resolve these problems. You can choose how to present your project. Click on the cat to find instructions on how to create Origami of the world's endangered animals.

Write a new chapter:

Think about a book that you enjoyed reading but wished it hadn't ended. Write the next chapter of the book. Try to write in the same style as the author and keep to the same person and tense.

There are also some non-screen activities on the website for you to choose from and additional activities that do not require internet access.

I have loaded some worksheets onto Teams which includes arithmetic questions, maths questions, reading activities, grammar and punctuation questions and spelling activities.

I will be available on Teams all week if you have any questions or if you want to share what you have been doing. If you do not have a Teams password, please ask your parents to email me.
