### Reading

There is lots to explore on the Epic reading page. You can use our class code to access it. There are lots of interesting books to read or listen to. As a class, we have read 250 books so far!

The answers to all of the activities in your packs have been posted in Teams. If you need your password to be re-sent, please ask your parents to email me.

### Spelling

- ✓ Complete the spelling activities on Education City
- ✓ Use Sumdog spelling
- ✓ Continue to learn the year 5 and 6 spelling list. Choose 10 words that you find difficult and learn to spell them. You can find the list by clicking on the jigsaw piece.

Year 5 and 6 words

Year 3 and 4 words

### Titanic

Last week, you discussed who you thought was to blame. This week, think about all the problems that were encountered on that night and think of ways to make sure they do not happen again. See Teams for more information.

## Additional Maths

White Rose Maths (The worksheets are not available on the website anymore. If you would like the worksheets to go with the White Rose Maths lessons, please email me and I will send them to you).

The daily maths questions will be sent on Teams.

Additional games:

Hit the button

Daily 10

Don't forget that there are weekly competitions on **Sumdog** and you can also access **Times Table Rock Stars**.

## Science

Work has been set on Education City all about Electricity. If you need your password, please ask a parent to email me.

## Mystery Person:

Who was King George VIII? How long was he king? Why did he abdicate? How was he related to Queen Elizabeth II? Write a biography about him.

There are also some non-screen activities on the website for you to choose from and additional activities that do not require internet access.

I will be available on Teams all week if you have any questions or if you want to share what you have been doing. If you do not have a Teams password, please ask your parents to email me.
