### Dear Parents and Carers,

Welcome back to school!

Listening to the children has been a delight this week; it is refreshing to hear that many of you got away and enjoyed quality family time. With caution, normality is on the horizon. On this note, we very much look forward to inviting you in for 'come read with me' and 'come work with me' sessions in the summer term.

The summer term is set to be a busy one at Pippins, with residential trips for children in Year 4 and 6, SATs in Year 2 and 6, and a number of other assessments across the school. Alongside this, we are preparing for some exciting celebratory treats at school, to celebrate the Queen's Platinum Jubilee celebrations. On behalf of the staff and governors, I wish all our families celebrating the end of Ramadhan this bank holiday weekend, happy Eid. Have a great weekend, Mr Jalaf

## Titanic exploration!

Year 6 had fun during the Easter break learning about the Titanic. They have produced some amazing work that they are proud to share. Mrs Matton

## Reminders

- Please can we ask that you donate cakes and sweet treats for our forthcoming cake sale on **Friday 6<sup>th</sup> May 2022**, straight after school. If you are going to bake your cakes at home, please do not forget to add an ingredients list, to avoid any allergic reactions.
- Please can we have all the cakes in by the morning of Friday 6<sup>th</sup> May at the very latest.
- On Friday 6<sup>th</sup> May, we are filming our school promotional video. Please ensure that your child is wearing the correct summer uniform.
- Please see attached with this newsletter, our policy on healthy eating and oral health. Only send in healthy snacks with your children when they attend clubs, in line with our policy.

## Gardening Club at Pippins

I wish to thank Georgie and her team at Heathrow Rangers, for all the support that they have shown to Pippins. Yesterday, they planted 12 laurel bushes to complete the allotment garden! We really would be lost without BAA Heathrow and the Heathrow Rangers!

Look at the amazing efforts of our young gardeners at Pippins! They really are seeing tomorrow grow! Since before half-term, Pippins gardening club have been really busy tending to some areas of the school grounds. With special thanks to Heathrow for donating additional gardening tools and wheelbarrows, we have been able to de-weed over-grown flower beds, and plant some fruit and vegetables in the allotment spaces! We have also started growing some sunflowers and will be maintaining our produce throughout this term. Special thanks to our gardening club for their hands-on approach and green fingers! Miss Ly
