Reading

Keep reading every day. There are lots of stories that you can listen to online or explore the books on Epic. Check the reading page on Teams for more suggestions.

Spelling

- ✓ Complete the spelling activities on Education City
- ✓ Use Sumdog spelling
- ✓ Continue to learn the year 5 and 6 spelling list. Choose 10 words that you find difficult and learn to spell them. You can find the list by clicking on the jigsaw piece.

Year 5 and 6 words

Year 3 and 4 words

Additional Maths

White Rose Maths (The worksheets are not available on the website anymore. If you would like the worksheets to go with the White Rose Maths lessons, please email me and I will send them to you).

Additional games:

Hit the button

Daily 10

Guardians (game)

Don't forget that you can play games on **Sumdog** and you can also access **Times Table Rock Stars**.

Transition

You have been sent a transition booklet when you collected your books from school. Complete the booklet this week in preparation for secondary school.

Theme Park Project

Create a leaflet or brochure to persuade customers to visit your park. Look at real adverts and choose the most persuasive words and phrases. Describe your best rides to your potential customers and don't forget to let them know which age groups the rides are suitable for. Explain your three themed areas and your customers will also want to know what they can buy to eat during their visit.

Science

Watch a series of fun science themes here.

<https://www.bbc.co.uk/iplayer/episode/p08hpl5v/bitesize-911-year-olds-week-9-1-science-and-astronauts>

I will be checking for messages on Teams when I can this week so post any questions and I will get back to you.

Take care of yourselves and enjoy the summer.

Mrs Davis
